

Moravian Meadows Association Solar Policy Statement

As required through the Homeowners' Energy Policy Act (559.301-559.317) 68 of 2024
Moravian Meadows Association has adopted the following Solar Policy Statement:

Installation or operation of any energy-saving improvement or modification is not allowed in any common area or on a shared roof.

Co-owners may submit in writing their request to the board for review and consideration regarding

installation, operation or modification of energy-saving improvements that are not located on a shared roof or common area.

This policy statement is in compliance with the Michigan Homeowners' Energy Policy Act 68 of 2024,
Section 559.313, which states the act does not apply to common areas or shared roofs within the Homeowners Association.
